## **Iowa Workforce Development Encourages Iowans to use IowaJobs.org**

**Sioux City, Iowa** – Whether looking for a job or seeking to hire qualified applicants, Iowa Workforce Development encourages Iowans to begin their search with IowaJobs.org.

“By using IowaJobs.org, employers and job seekers can take advantage of the many services we provide,” said Elisabeth Buck, Director of Iowa Workforce Development. “IowaJobs.org offers something for everyone statewide.”

At any given time, over 20,000 jobs are posted. Many of Iowa’s top employers have their job openings automatically added to IowaJobs.org directly from their web sites. This ensures that only the most current jobs are posted.

Employers can take advantage of the many screening options available to guarantee only qualified applicants are submitted. They can also save time by having Iowa Workforce Development staff manage their job postings. In addition, employers can find access to labor market information along with other employment data.

A local doctor’s office was looking for a new receptionist and decided to turn to the Sioux City Workforce Center for assistance. They were overwhelmed with the responses. This was the first time they used the services of IowaJobs.org and were pleased that it was so easy and that it was all free. After such a great experience, IowaJobs.org will be their first stop if they ever have another position to fill.

With thousands of positions posted every day, IowaJobs.org can offer a unique pool of jobs that no one else can provide. To learn more about how IowaJobs.org can help you, contact the Sioux City Workforce Center at (712) 233-9030.
